

**Water Divisions Talking Points for the Acting RA's call with PADEP Secretary McDonnell  
– February 1, 2021**

**Nonresponsive based on revised scope**

**Ex. 5 Deliberative Process (DP)**

**Public Hearing and an Additional 30-Day Extension Requested for Roulette UIC Permit**

- A request for public hearing was received; the hearing is scheduled for February 2, from 6:00 – 8:00 p.m.

- A 30-day extension on the public comment period was also received.

**Background:**

- A draft permit was public noticed on December 31, 2020 for Roulette.
- This disposal well is located in Clara Township and will allow for the subsurface disposal of fluids produced during oil and gas operations.
- The Seneca Nation has also requested consultation on this matter.
- We will continue to keep the state informed of the results of the petition.
